# Important Information

The information presented does not involve the rendering of personalized investment, financial, legal, or tax advice. This presentation is not an offer to buy or sell, or a solicitation of any offer to buy or sell any of the securities mentioned herein.

Certain statements contained herein may constitute projections, forecasts and other forward-looking statements, which do not reflect actual results and are based primarily upon a hypothetical set of assumptions applied to certain historical financial information. Viewers are cautioned that such forward-looking statements are not a guarantee of future results, involve risks and uncertainties, and actual results may differ materially from those statements. Certain information has been provided by third-party sources and, although believed to be reliable, it has not been independently verified and its accuracy or completeness cannot be guaranteed.

Any opinions, projections, forecasts, and forward-looking statements presented herein are valid as of the date of this video's distribution and are subject to change.

Past performance or performance based upon assumptions is no guarantee of future results.

All investing is subject to risk, including the possible loss of the money you invest. As with any investment strategy, there is no guarantee that investment objectives will be met and investors may lose money. Diversification does not ensure a profit or protect against a loss in a declining market.
